

Neurodevelopmental Referral Pathway for Children and Young People

Bassetlaw General Developmental Assessment Pathway (GDA)

Find out more about support at: [APTCCO in Bassetlaw](#)

Please scan here for alternative language options for the information in this leaflet

1

FOR CONCERNS REGARDING SIGNIFICANT DEVELOPMENTAL DELAYS, MEDICAL CONDITIONS, OR MEDICATION REVIEWS

Please contact your GP for advice and support. Your GP may refer your child to the Community Paediatrician for an assessment if priority concerns are identified as above.

2

FOR CONCERNS OF AUTISM AND/OR ADHD – GRADUATED RESPONSE.

If you do not have any of the concerns mentioned above at step 1, please follow the graduated response process [Graduated Response](#). This will be supported by the Healthy Families Team or your child's education lead.

Please note - a diagnosis is not required for **reasonable adjustments** to be put in place to support your child's needs within their education setting.

3

AUTISM AND/OR ADHD ASSESSMENT

Following the graduated response approach if an assessment need is identified the Healthy Families Team or your child's education lead may refer your child to the GDA pathway which may lead to assessment for Autism and/or ADHD. Information about the GDA pathway can be found here [GDA Pathway](#)

4

SUPPORT WHILST WAITING FOR AN ASSESSMENT OR SUPPORT IN GENERAL

A referral to APTCCO for support can be made by either your GP/Health Care Professional/Educational lead or alternatively you can refer direct by e-mail at enquiries@aptcco.org or phone 01623 629902.

5

APTCCO SOCIAL PRESCRIBING TEAM

The APTCCO social prescribing team will then contact you to discuss your referral and signpost you to non-clinical support services, dependant on your child's individual need, such as behaviour support, sensory therapy, parental support programmes and transitions to adulthood.
